To Whom it may concern:

CITY OF WINTER PARK

401 Park Avenue South

Winter Park, Florida

32789-4386

OFFICE OF THE MAYOR

Kenneth W. Bradley

P 407.599.3234

F 407.599.3436

The City of Winter Park has partnered with Triton Water to implement an Advanced Meter Infrastructure and Smart Meter installation for all of our electric and water meters in Winter Park and portions of unincorporated Orange County.

We are very pleased with the project and professionalism of Triton Water. Not only is the installation going well but they have taken the time to help us solve problems with our outage management software and orchestrated a free demonstration of an advanced Home Area Network and how it could interface into our new smart grid.

In conclusion, I highly recommend Triton Water to any City considering implementing an Advanced Meter Infrastructure.

Best regards,

Kenneth W. Bradley,
Mayor, City of Winter Park
